Lasa Supergenerics gets interim relief from Bombay HC; shares surge over 8%

Internet Desk | Updated on October 21, 2020 | Published on October 21, 2020

Shares of the API manufacturer Lasa Supergenerics gained as much as 8.6 per cent to ₹78 after it announced getting an ex parte interim relief from commercial division of the Bombay High Court.

The relief granted would protect and strengthen its research and confidential information and its position in the 'Benzimidazole derivatives' market, it said in a stock exchange communication.

Lasa Supergenetics Ltd gets interim relief on Albendazole case

Posted On: 2020-10-20 20:13:01

Lasa Supergenetics Limited (Lasa), India's leading API manufacturer, had filed a civil suit for infringement of its patent, confidential information, unfair trading etc. before the Commercial Division of the Hon'ble Bombay High Court. An ex parte interim relief restraining its competitor from selling, offering for sale, importing, exporting, or dealing in Albendazole using the proprietary confidential information exclusively owned by Lasa in respect of its product Albendazole has been granted to Lasa on 12th October 2020.

The relief granted to Lasa from Hon'ble High Court will protect and further strengthen its research and confidential information and its position in "Benzimidazole derivatives" market. It will also prevent the misuse of its extremely valuable proprietary right and act as Strong deterrent to other infringers.

Nifty scores hat-trick of gains on Tuesday as it added 0.20 per cent to close at 11,897 levels. Owing to negative global cues, Nifty started the session with some hiccups; however, it took support near about the prior bar low and soon started to witness buying interest. It touched an intraday high of 11,949 and if you recall, we had mentioned that the
