Dear Sir/Madam,

Sub: **Announcement under Regulation 30 SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015- Update on Factory Operations Post Fire Incident**

Dear Sir/Madam,

With reference to the unfortunate fire incident that occurred at our manufacturing facility on 18th May 2025, and further to our disclosure dated 24th June 2025, we regret to inform our stakeholders that, despite our sustained efforts, operations at the said facility cannot be resumed.

This issue is attributable to a range of challenges, including pending statutory clearances and certain operational constraints. We are actively exploring alternative options to enter into contract manufacturing arrangements and/or leasing the facility, subject to receipt of necessary regulatory approvals and consents.

We remain fully committed to maintaining transparency and assure all stakeholders that we will continue to provide timely updates on all material developments.

We sincerely appreciate your continued understanding and support during this period.
